Day of Arrival

All linens will be dropped off outside your vacation home in a discreet location (e.g., nearby the front door, on the deck, etc.) noticeable to customers upon arrival but away from foot traffic on the street. In the event of inclement weather, all orders will be left in a sheltered area (e.g., covered outside shower). All drop off locations and delivery times are recorded for tracking purposes.

Orders will be delivered in water tight plastic totes.

An order form which contains the customer's name, vacation address, date of delivery, date of pick-up, and order content is located inside of every tote. If an order consists of multiple totes, the order content portion of the label in each tote will be highlighted to designate the specific items in each tote.

Customers unable to locate their tote(s) upon arrival should contact our office immediately via phone to inquire about their order/delivery status. Our numbers are: (843) 347-6211 and (843) 400-0323.

In the event there is a mistake with an order, customers should contact our office via phone prior to 5 pm on the day of arrival.

Customers arriving on Saturday and unable to report mistakes by 5 pm may also call between 9am and 10 am on Sunday. After 10 am Sunday, the grace period to report any mistakes with orders delivered on Saturday will expire.

A copy of these Policies and Procedures will be provided with each order. Please be sure all guests have read and understand these instructions.

Multiple Week Orders

Typically, the change out day for customers with multiple week orders is Saturday. If you would prefer a different day, please notify us when placing order.

Customers must return all linens from the prior week during a change out, otherwise additional charges will be incurred for missing items. Additional charges will also be incurred for any damaged linens.

Professionally Made Beds

You may choose to have your beds professionally made prior to your arrival. This deluxe service is available for our featured properties only. To see if your order qualifies, please visit our "Featured Properties" page at <http://coastal-cleaning.net/vacation-rentals-in-myrtle-beach>. If you are renting one of these properties you may select this option on your order form.

During Vacation

Customers and their guests are expected to treat the linens appropriately. The condition of all linens must be maintained in the same manner as provided. Any damage (e.g., rips, burns, untreatable stains, etc.) will result in a charge to your deposit for the full replacement value of item(s).

Please do not use your linens to remove makeup, clean up spills, or for any other purpose that may cause irreversible staining or damage.

If customers need to launder linens while in their possession, please only use over the counter detergents and softeners. Do not use any products containing bleach.

Extended Stays

The cost for customers extending vacations beyond one week and maintaining possession of linens will be prorated by the day. Extensions of 3 days or more will be charged a full week rental.

Upon Departure

Customers are responsible to strip all beds (except mattress covers), place all linens in the plastic tote(s) provided and ensure the tote(s) are left outside the vacation home available for pick-up in the exact location they were found upon arrival.

Linens must be ready and available by 10 am for pick-up on scheduled day of departure or change out. If linens are not available for pick up within the specified time frame for routine pick-up, and a return trip to retrieve linens is necessary, an additional charge of \$25 will be posted to the customer's account.

Customers leaving linens locked inside vacation homes upon departure will be charged an additional cost of \$50 for time and labor to gain access to the linens. This does not apply to our featured properties.

Customers will be notified via phone, text or email on the day of departure in the event linens are unable to be located during pick up.

Customers must return all ordered linens upon departure. In the event linens are missing and/or damaged, customers will be notified within three calendar days of departure, provided with our assessment and charged accordingly.
